

Memorandum of Understanding (MoU)
Between
Don Bosco College of Engineering, Civil Engineering Department
and
Models Leisure Ventures (MLV)

Don Bosco College of Engineering (DBCE), Fatorda and Models Leisure Ventures (MLV) signed a Memorandum of Understanding (MoU) on 7/8/2025.

MLV is a Goa-based real estate company and part of the larger Models Group has partnered with DBCE to foster academic–industry collaboration. The MoU aims to provide students with industrial internship, placement and project opportunities at MLV, facilitate the organization of technical sessions and guest lectures, and create avenues for MLV employees to participate in corporate training and skill development programs conducted by DBCE. These initiatives will be carried out on a mutually agreed, need-based framework.

The MoU was formally signed by Ms. Danira Vaz, Partner and Director, MLV and Dr. Neena Panandikar, Principal, DBCE, in the presence of Mr. Nathan Vaz, Partner and Director, Dr. Shwetha Prasanna, Head, Civil Engineering Department, DBCE and Dr. Nitendra Palankar, Associate Professor, Civil Engineering Department, DBCE.
