

Memorandum of Understanding (MoU) Signing Ceremony

Between

Yelow Door – Bespoke Interiors and Don Bosco College of Engineering

A Memorandum of Understanding (MoU) was formally signed between **Yelow Door – Bespoke Interiors** and **Don Bosco College of Engineering (DBCE), Fatorda, Goa**, on **15th April 2026** at Fatorda.

The purpose of this collaboration is to strengthen industry–institute interaction and create opportunities for students in the field of interiors, training, and professional development.

Representatives Present

From Yelow Door – Bespoke Interiors:

1. Mr. Truven Jorge – Founder & Managing Director
2. Ms. Nicosha Pereira – HR & Admin Executive

From Don Bosco College of Engineering:

1. Dr. Neena Panandikar – Principal
2. Dr. Shwetha Prasanna – Head of Department, Civil Engineering
3. Dr. Nitendra Palkar – Internship/MoU In-charge
4. Asst. Prof. Jeffrey Valadares – Internship/MoU In-charge

Key Discussions Held:-During the meeting, both parties discussed several important areas of collaboration, with a focus on student career development and practical exposure. The major points discussed were:

1. **Internship Opportunities:-**Yellow Door expressed willingness to provide internship opportunities for students of Don Bosco College of Engineering, enabling them to gain practical industry experience.
2. **Placement Opportunities:-**It was further discussed that students who show interest and aptitude in the field of interior design and execution may be considered for future placement opportunities within the company.
3. **Skill Development & Industry Exposure:-**The MoU aims to bridge the gap between academics and industry by providing students with real-time exposure to interior execution processes, design practices, quality standards, and professional work culture.
4. **Long-Term Collaboration:-**Both institutions emphasized building a long-term relationship through technical sessions, projects, guest lectures, and other mutually beneficial activities.
